Occiput to Sacrum
Liberec, Czech Republic, April 14 - 16, 2010**

We herewith confirm participation of

Doctor **Piotr Winkler**, Bydgoszcz, PL

at the above course.

The course was of a duration of two and a half days: 11 sessions:

Technique of Spinal Examination, Infection, TB,
Primary Spinal Tumours, Secondary Tumours,
Progressive Neurological Deterioration,
including small group discussions and workshops

EuroSpine is organising these courses with a highly reputed faculty,
intended for trainees in their early years as well as more qualified
staff to focus on interdisciplinary problems within spine disorders
(not just surgery).

EuroSpine is exclusive sponsor of these courses, there is no
industrial or commercial involvement attached.

Prof. Charles G. Greenough, MD MChir FRCS
Course Chairman

We herewith confirm receipt of the registration fee in the amount of 250 EUR.
